

and hard assets like **gold bullion** and/or **stockpiles of ammunition**, unrelated to the main G7 monetary system on their books worth nearly \$14 trillion.)

Now Mark: **Pres. Eisenhower** had commissioned the **JASON Society** to examine all evidence, facts, lies, and deception and find the truth of “**the alien question**” (i.e. “**the Anunnaki**”). Founders of the **JASON Group** (not the same as the JASON Society) include members of the famous **Manhattan Project**, which brought together almost every leading physicist in the nation to build the **atomic bombs** dropped on **Hiroshima** and **Nagasaki** during World War II. *The group is made up mostly of theoretical physicists and is the most elite gathering of scientific minds in the United States. As of 1987 the membership included four Nobel Prize winners. They are probably the only group of scientists in the world that know the true state of highest technology. According to the Pentagon, the JASONS hold the highest and most restrictive security clearances in America - and are given the protocol rank of rear admiral (two stars) when they visit or travel aboard ships or visit military bases. The veil of secrecy drawn around the JASON Group has been so tight and so leak-proof since its conception that those who think the government cannot keep a secret need to reexamine that position. No leaks have ever occurred from within JASON. (JASON is administered by the Mitre Corporation... and Government contracts allotted to the Mitre Corporation are in reality allotted to the JASON scientists. This is done so that the name JASON does not ever appear in documents which may come under public scrutiny.)*

The **Council on Foreign Relations (CFR)** is a **private organization** of business executives, scholars, and political leaders that studies global problems and play a key role in developing US foreign policy. The **CFR** is one of the most powerful semi-official groups concerned with America’s role in international affairs. It is controlled by an elect group of men recruited from the **Skull & Bones** and the **Scroll & Key** societies, which are both chapters of a secret branch of the Illuminati known as **Chapter 322 of the Order**. *The members of the Order make up the Executive Committee of the Council on Foreign Relations after undergoing initiation into the Order of the Quest aka the JASON Society. It did not take on its present power until 1921, when it merged with the Royal Institute of International Affairs and received its financial base from J.P. Morgan, the Carnegie Endowment, the Rockefeller family, and other Wall Street banking interests. The CFR controls America: Through the years its members have infiltrated the entire executive branch, State Department, Justice Department, CIA, and the top ranks of the military. Every director of the Central Intelligence Agency has been a member of the CFR. Most presidents since Roosevelt have been members. The members of the CFR dominate ownership of the press and most, if not all, of America’s top journalists are members.*

Simply put: The CFR does not conform to government policy... the government conforms to CFR policy.

The **Knights of Malta** play a powerful role in this scenario. The Knights of Malta is a world organization with its threads weaving through business, banking, politics, the CIA, other intelligence organizations, **P2**, religion, education, law, military, think tanks, foundations, the United States Information Agency, the United Nations, and numerous other organizations. They are not the oldest but are one of the oldest branches of the **Order of the Quest** in existence - and include powerful members of the CFR and the Trilateral Commission. The world head of the Knights of Malta is elected for a life term, with the approval of the **Pope**. *Membership in the Knights of Malta entails obedience to one’s superior in The Order and ultimately to the Pope.*

The Knights of Malta all have **diplomatic immunity** and can ship goods across borders without paying duty or undergoing customs check. Nearly half of its 10,000 members belong to Europe’s oldest and most powerful families, cementing an alliance between the **Vatican** and “**Black Nobility**” - the richest and most powerful families of Europe - located in Italy, Germany, Switzerland, Britain, Holland and Greece in that order - and the ruling elite in America, whereof certain families of “blue-bloods” in the United States have historic ties with the British through blood and money. **Prince Philip** and **Prince Charles** are the most visible symbols of this movement, and are a true part of this conspiracy to destroy industry and usher the world back into a **New Technocratic Dark Age** (such as was done under **Ramesses the Great**).

Mark: Not all Black Nobility are royal houses, and many royal families no longer have kingdoms. Their roots trace back to the **Venetian oligarchs**, which were of **Khazar extraction**: *Following a great Khazar victory over the Arabs, future Emperor, Constantine V married a Khazar princess and their son became Emperor Leo IV aka “Leo the Khazar”; the Medici popes, Pius XII (Eugenio Pacelli), and Pope John Paul II were all Khazars and married into these royal houses in the early part of the 12th century - claiming direct descendancy from the last Roman emperor. [Note: Both Romulus Augustulus (c. 460 – 500) and Julius Nepos (c. 430 – 480) are each considered the last Western Roman Emperor. Constantine XI Palaiologos (1404 – 1453) was the last reigning Byzantine Emperor.]*

O reader, wearisome are these glad tidings, eh! I continue: All nations have agreed to relinquish sovereignty to the **Papacy** and submit to the **world-peace-solution computer**... which is hooked up to the world capital cities via satellite. Of course, this will not go into effect until the New World Order is publicly announced.

The most powerful secret organization in the world is the **Bilderberg Group**, organized in 1952 and named after the hotel where its first meeting took place in

1954. The man who organized the Bilderberg Group, **Prince Bernhard of the Netherlands**, leader of the **Black Families**, whom has **power to veto the Vatican’s choice of any Pope it selects**. He claims descent from the **House of David** and thus can truly say that he is related to Jesus. Prince Bernhard, with the help of the CIA, brought **the hidden ruling body of the Illuminati** into public knowledge as the Bilderberg Group. This is the official alliance that makes up **the world governing body (based in Switzerland)**. *The core of the organization is three committees made up of thirteen members each. Thus the heart of the Bilderberg Group consists of 39 total members of the Illuminati. The three committees are made up exclusively of members of all the different secret groups that make up the Illuminati, the Freemasons, the Vatican, and the Black Nobility.*

The **European Organization for Nuclear Research** known as **CERN**, established in 1954 and based in Geneva on the Franco-Swiss border, operates the largest **particle physics laboratory** in the world. Its world-renowned experts in astrophysics, cosmology, general relativity, mathematics, particle physics and risk analysis, include several **Nobel Laureates in Physics** are using **complex scientific instruments**, such as the **Large Hadron Collider** (buried hundreds of feet underground), to manipulate the basic constituents of **matter and antimatter** - the fundamental particle structure of the universe - taping into “**Dark Matter**,” dragging electrons through plasma and searching for a supposed **Higgs Boson “God particle”** responsible for mass in the universe; “**opening otherworldly doors to nether dimensions**” through the production of highly-unstable “**microscopic black holes**” - as predicted by basic principles of quantum mechanics; **universal “vacuum bubbles”** (in which we could not exist); dangerous proton-eating “**magnetic monopoles**”; and “**strangelets**” - microscopic lumps of “**strange matter**” containing almost equal numbers of particles called “up,” “down” and “strange” quarks which coalesce with ordinary matter and change it to “**strange matter**.”

The CERN collider is composed of some 9600 super magnets, which are 100,000-times more powerful than the gravitational pull of Earth, to fire-and-collide protons and antiprotons around a circular track at mindboggling speeds... reaching temperatures more than 100,000-times the temperature at the center of the Sun and producing higher energies than in cosmic-ray collisions. Scientific experimentation posing greater risks than even the tests prior to the introduction of the atomic bomb... and more devastating to nature than Chernobyl or Fukushima. Finally, concern has also been expressed that the LHC beam might somehow trigger a “Bose-Nova” - a very small, supernova-like explosion in the liquid helium used to cool the LHC magnets - in the theorized “string axiverse.”

The members of the **Bilderberg Group** are the world’s most powerful financiers, industrialists, statesmen and intellectuals, who get together each year for a private conference on world affairs - notorious for the cloak of secrecy they are held under. Their headquarters office is in **The Hague** in Switzerland, the *de facto* seat of world power, and the only European country never invaded or bombed during World Wars I and II.

At the heart of the Bilderberg Group are 39 members of the Illuminati chosen from three committees drawn from the members of all the secret groups that comprise the Illuminati: the Freemasons, the Vatican, and the Black Nobility. The goal of the Bilderberg Group is a one-world totalitarian socialist government and “**world-depopulationist**” economic system. The **Global 2000 Report** revealed the dire straits to which humans have brought the world.

If present beliefs and policies continue, the world in the 21st century will be more crowded, more polluted, less stable economically and ecologically, and more vulnerable to violent disruption than the world we live in now... Overall, Earth’s people will be poorer in many ways than they are today.

Global 2000 Revisited

“They” believe *that* progress requires a new understanding of **humankind as a species**, a new approach to the **ethics of interspecies relations**, and a new vision for the future of Earth calculated to end all industrial progress, and by **famine, disease and wars**, eliminate the excess population industry supports. All oppose **nuclear power** that can produce **clean cheap electricity** - the key to economic development and prosperity in the Third World. They ardently desire a return to the **feudal system** where they will be **absolute rulers**. While professing **Christianity**, the oligarchical families, for the greater part, actually despise it in secret. **Masonry** provides their religious fulfillment. And without faith, they have **no belief in reward or punishment** and a world here-after yet to come. These “reptiles” live only for the here-and-now.

Many of these oligarchies trade in **drugs, arms and slaves** through well-distanced intermediaries (like so many of the large banks)... *but that is another tragic tale.*

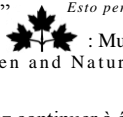

In closing, let me say *that* **communism** and **socialism** are secret societies in many countries where they are prohibited by law - as are **neo-Nazism** and the **Ku Klux Klan** in this country - *due mostly to the fact that a demoralized general public hath been misinformed about our true history and are, hence, so disgusted by sech truth. Early-Christians, too, were once considered a despicable secret society because Roman authorities labeled them from the start as dangerous to Imperial rule. The same is true of the followers of Islam: (The Abbasid and Yezidis in Syria and Iraq consider the Arabs a dangerous secret society dedicated to a jihadi takeover of the world)... and Wahhabi Arabs today think the same of Mizrahi, Jews. Catholics and Freemasons.*

“Hail Victory!”

“The Maple Leaf forever, eh!”

Salvete Canuck! Black Thorn is pleased to present this “Finkisk” for y^e rumination.

“Its not what you know... but what you can do.”

Elise Lincoln Benedict

“How to Analyze People by Sight” (1921)

The “**Judeo-Bolshevik Illuminatis**” are a *sociopathic sodomite cabal* of the most powerful politicians, bankers, entertainers, and businesspeople in the world which scheme to establish a **New World Order**; including a *global government, centralized electronic currency, enforced atheism, abolition of free speech, massive depopulation, mandatory “in utero” RFID-micro-chipping and vaccination, and the normalizing of sexual deviancy, drug abuse, and human sacrifice.* Openly plotting to *overthrow Western Civilization*, they flaunt their draconian power and wealth in public using *occult imagery and devilish hand signals.* In league with **Satan**, they control of the *US government* (i.e. the Pentagon), the *British monarchy* (i.e. “The Crown” and “The City”), the *Papacy*, the *United Nations*... the *space program*, all *international banking institutions, the financial industry, and every facet of music and film and all other forms of commercialized mainstream mass-media,* most especially *public education*... representing nothing less than *government-mandated indoctrination*, training our children in the evil ways of *fake history, degenerate sex instruction and Godless secularism.* They’ve had a hand in virtually every event which has happened in human history over the past two hundred years, from the *English Revolution* to a complex web of *staged false flag terrorist attacks* (the most prominent among them being 9/11), *pointless wars* where they sell weapons to both sides, *fake mass-shootings* and other “*crisis actor*” *conspiracies* designed to introduce gun control legislation, *disinformation* spouted by paid message board shills, *pandemics* and *natural disasters* under their control, and, when those fail, outright murder. Their evil plans include *mass satellite and drone surveillance, Mail Isolation Control and Tracking (MICT) - having the ability to monitor and log virtually every Internet and phone communication, suspension of Constitutional Rights and Freedoms, declaration of Martial Law, an en masse purge or arrest, and Agenda 21 reeducation and/or extermination of “useless eater” surplus population.*

History is replete with whispers of *secret societies* - accounts of elders or priests who guarded the *forbidden knowledge* of ancient peoples. Prominent men, meeting in secret, who directed the course of civilization are recorded in the writings of all people. The oldest is the **Brotherhood of the Snake** aka the **Brotherhood of the Dragon**... - which was simply known as the “**Mysteries**”... - and it still exists under many different names. The *snake* and the *dragon* are *both symbols of wisdom.* **Lucifer** is a personification of wisdom: It was Lucifer who tempted “*mitochondrial Eve*” to entice Adam to eat of the tree of knowledge and thus free people from the bonds of ignorance. GENESIS 3:4, 5

Adam and Eve correspond in part to Geb and Nut and in part to Osiris and Isis. Additionally, the three male sons of Adam and Eve - Cain, Abel and Seth - correspond to the three male sons of Geb and Nut - Osiris, Seth, and Horus... as well as Cro-Magnon, Neanderthal and Homo sapiens. Moreover, there is furthermore a relation betwixt the three sons of Noah and Naamah - Japheth, Shem and Ham - and the three races of humanity: *Caucasoid, Mongoloid, and Negroid.* ACTS 17:26

The fallen Arch-Angel **Lucifer** aka the “**Promethean Light-bringer**” - a secret symbol aka the “**All-Seeing Eye of Providence**” aka the “**morning star**” - and the *false god* of our “Aquarian Age” mundane world - and which is worshipped by the **Unholy Inner Circle of the Consilium Sapientium** (Latin > *Supreme Council of the Ten Wise Men*), which is a secret “invisible” society resided over and directed by a number of “ancients” or élites, having been formally established in 1143 with the birth of the **Commune Veneciarum** (“*City of Venice*”). These *sapienti* (“*wise men*”) have authority over all government action...

“Lucifer, the Light-bearer! Strange and mysterious name to give to the Spirit of Darkness! Lucifer, the Son of the Morning! Is it he who bears the Light, and with its splendors intolerable, blinds feeble, sensual, or selfish souls? Doubt it not!”

Albert Pike, 33° Sovereign Grand Commander of the Southern Jurisdiction of Scottish Rite Masonry,

“*Morals and Dogma of the Ancient and Accepted Scottish Rite of Freemasonry*” (1871)

Most of the greatest minds that ever lived were initiated into the “**Society of Mysteries**” by secret and dangerous rites, some of which were very cruel. Some of the most famous were known as Osiris, Isis, Sabazius, Cybele and Eleusis. Plato was one of these initiates and he describes some of the mysteries in his writings. Plato’s initiation encompassed “three days” of entombment in the **Great Pyramid of Giza**, during which time he died (symbolically), was reborn, and was given secrets that he was to preserve. Plato’s writings are full of information on the “**Mysteries**.”

The *secret symbol* of **Satanism** in its purest form is the “*all-seeing eye in the pyramid.*” Alchemists, Quabbalists, Mystics, Theosophists and Rosicrucians, all of whom practiced mystical and esoteric rites, are all-incisive instruments of/and the guardians of the “**Secrets of the Ages.**” The secret society of the nefarious **Asokan**

Nine Unknown Men, who are *supposedly* charged with “the preservation and development of advanced knowledge that would be dangerous to humanity if it fell into the wrong hands,” is often cited as one of the oldest and most powerful secret societies.

Early in the 5th century the long-haired **Merovingians** established themselves in what is now **Belgium** and **northern France**, where they adopted the **Cabalistic pseudo-Christianity** of the **Cathars** - a dualistic religion that holds there are *two eternal gods*, the god of Good and the god of Evil: (cf. Zoroastrianism). *It is revealing that this Luciferian belief is held by Masons of high degree and those who would be Masters of this world today, and who claim that Lucifer will ultimately be victorious.*

Under **Clovis I** (reigned 481-511), the **Franks** converted to **Roman Catholicism**. Through him, Rome began to establish undisputed supremacy in Western Europe. In return for being *the sword of Rome* whereby the church would manifest her power and impose a spiritual dominion, Clovis was granted the title of “**New Constantine**” - and so crowned to preside over a unified “**Holy Roman Empire**” based on the church and administered on the secular level in perpetuity by the Merovingian bloodline.

The **Knights Templar** (*forerunners of Freemasonry as well as the Rosicrucians*) were founded sometime during the 11th century by the **Prieuré de Sion** - a religious order founded upon **Mount Sion** in **Jerusalem**, for the express purpose of guarding remaining *relics of Jesus* and to provide military protection for the religious travelers during their pilgrimage to the **Holy City**. *The Prieuré de Sion claims to hold the lost treasure of the Temple of Jerusalem plundered by Titus in 70 CE which would be returned to Israel “when the time was right.” This might explain why Rome must defer to the “kings of the earth” and how she will seal a covenant with Jews who’ve long hid hind the shield of baptism (i.e. the Windsor House of Saxe-Coburg-Gotha).*

One of the greatest secrets of the ages is the true story of the **Holy Grail**, the *robe of Jesus*, the remains of the **Cross of Crucifixion**, and whether Jesus actually died or if he survived... and produced a child. The **Knights Templar**, a branch of the **Order of the Quest**, survive today as a branch of the **Illuminati** and guard the relics, which are in a location known only to them. [When the **New World Order** is solidified these secrets shall be revealed and hidden relics reunited with the “**Spear of Destiny**” (*which is said to have pierced Christ*), and will, *according to legend*, give the world’s ruler absolute power: The “**bleeding lance of St-Longinus**” (*aka Panthera*), the Roman centurion who pierced **Jesus ben Stada** in his side with a lance, was *later discovered by paladin Perceval (according to the Arthurian legend of the “Wounded Fisher King”).* This may confirm beliefs passed down through the ages that describe the significance of these relics when united in the hands one man - explaining the quest of **Führer Adolf Hitler** for them during **World War II**. (Gen. “**Blood & Guts**” Patton had *supposedly* claimed it after defeat of the **Third Reich**.)]

We know that the **Templars** are **Illuminati** because the **Freemasons** absorbed and protected those that escaped persecution of the Church and France, *just as the Freemasons would absorb and protect Weishaupt’s Bavarian Illuminati (q.v.) centuries later.* The Knights Templar exist today as a *high degree of Freemasonry* within the **Templar Order**. In fact, the Knights Templar is a branch of the **Order of the Quest** - and the **DeMolay Society** is branch of the Freemasons that consecrates the memory of the persecution of the Knights Templar and in particular, their leader **Jacques de Molay**. Last Words: “The life offered me on such infamous terms I abandon without regret.”

There is abundant evidence to suggest Jewish seer **Nostradamus** was one of their secret agents, and there is no question that numerous “*quatrains*” refer to the advent of “**le Grand Monarch**,” indicating *that this sovereign will ultimately derive from the Merovingian dynasty* - implying a double hegemony of Papacy and Empire... of the Vatican and the Habsburgs: cf. *Chyren Selene* (i.e. “**Roi Cache**” Prince Harry⁴¹) *to the Hindu prophecy of the Kalki Avatar. Les Prophéties* frequently referred quite explicitly to the **Knights Templars and the House of Lorraine** (now synonymous with the Habsburgs). Note: cf. *Meghan Markle - a direct descendant of England’s King Edward III, who ruled from 1327 until 1377 - to the Penelope complex; moreover, Nostradamus’ prophecy concerning the burning of Rome (by flame of divine message) and advent of the anti-Christ “Goat of Mendes” (i.e. Prince William* Rev. 17:18; Jer. 50-51).

The **House of Orange** had its origins in France. The **Habsburgs** are related through marriage with the **Merovingians**, who are said to have descended from the **Tribe of Benjamin** who went into exile following war with the other eleven Tribes (Judges chapter 21). Exile took them to Arcadia in the central Peloponnese, Greece, where they aligned with the **Arcadian royal line** and towards the *advent of the Christian era*, migrated up the **Danube** and **Rhine**, through marriage engendering the **Sicambrian Franks** - the immediate forebears of the Merovingians, *who were of Semitic origin - and descendants of King Saul.* They are identified with the **Lacedemonians** (Spartan Greeks) - and both books of **Maccabees** link the **Spartans** with the **Jews** (1 Maccabees 12:21). *But the Spartans were not Israelites they were Edomites descended from King Bela of Edom son of Beor and brother of Baalim*

(Genesis 36:32; I Chronicles 1:43). *Edom was the son of Isaac and grandson of Abraham who sold his birthright, and bred his posterity off the **Book of Life**.*

Reasonably accurate accounts of the natural advantages and resources of the **Americas** were in time brought back to Europe by the explorers and adventurers who had opened the new territories of the West, and only then did the European nations give serious consideration to actual development of their newly acquired **colonial empires**. The French, the Dutch, and the English entered upon programs of establishing **permanent settlements along the Atlantic seaboard**. The English program was under the direction of **Sir Francis Bacon**... and it was his genius that gave purpose to the enterprise as the Western Hemisphere was the utopian-future land-between-of-promise.

Bacon's society of the unknown philosophers included men of high rank and broad influence - it was most powerful in Germany, in France, and in the Netherlands, and most of the **leaders of European thought** were involved in the vast pattern of his purpose. He made sure that the American colonists were thoroughly indoctrinated with the principles of **religious tolerance, political democracy, and social equality**.

One example will indicate the trend. About 1690, the German Pietist theologian, **Magistar Johannes Kelpius**, sailed for America with a group of followers, all celibates whom practiced mystical and esoteric rites. The **Pietists** settled in **Pennsylvania** and their descendents still flourish in Lancaster county. Kelpius for some years lived as an **Anchorite** in a cave (located in what is now Fairmount Park, Philadelphia). The Pietists brought with them the writings of the German mystic, **Jacob Boehme** - books on magic, astrology, alchemy, and the cabala. The early years of the 18th century brought many changes in the social and political life of the **American colonies**. By this time most of the **Atlantic seaboard** was dominated by the **British West Indies Company**. Note: By this time most of the important secret societies of Europe were well represented in America under European sovereignty.

The **French Revolution** (1789-1793), with its incredible atrocities, its militant atheism, its reign of terror, its wanton destruction of civilized values, was the major event which shook Europe... and was particularly painful because it occurred when **science, rationality and enlightenment** were making incredible strides. Yet the Revolution, brought on in the name of all of these, plus **"liberty, equality and fraternity"** (q.v.), resulted in the beheading by **guillotine** of such scientific geniuses as **Antoine Lavoisier** - "the father of modern chemistry," who was well known and greatly admired by his English colleagues as *the man who forever changed the practice and concepts of chemistry by forging a new series of laboratory analyses that would bring order to the chaotic centuries of Greek philosophy and medieval alchemy*. Men of genuine learning in Europe were well aware that the French Revolution had been preceded by a long period of intense intellectual agitation, in which the very foundations of civilized society were seriously questioned. Ideas and doctrines advocating the **abolition of all religion, the overthrow of all civil governments, the creation of utopian world citizenship** and the **abolition of private property**, were to be found in books, tracts and pamphlets, written often at the risk of provoking the authorities. But the main haven for the free expression of such revolutionary ideas on the Continent were certain Masonic lodges, which, departing from the simpler practices of **English Freemasonry**, had become forums where diverse opinions on morals, religion and politics could be and were freely expressed: "This impunity gradually encouraged men of licentious principles to become more bold, and to teach doctrines subversive of all our notions of morality."

The **"First American Gentleman"** - **Benjamin Franklin**, although never the country's president, nor a military general, stands out as one of the most important figures in the struggle for American independence *insomuch as exercising enormous psychological influence over colonial politics*. The source of his power lay in the secret societies to which he belonged and of which he was the appointed spokesman. Franklin was not a law maker, but his words became law. When Dr. Franklin went to France to be honored by the State, he was received too by the **Lodge of Perfection**, the most famous of all the French secret orders; and his name, written in his own fine hand, is in their record ledger, close to that of the **Marquis de Lafayette**. Franklin spoke for the **Order of the Quest** - and most of the men who worked with him in the early days of the **American Revolution** were also members: (*The Order of the Quest aka the JASON Society is now composed of executive members of the Council on Foreign Relations and, in fact, the Trilateral Commission as well*). The plan was working out... and the **"New Atlantis"** was coming into being, in accordance with the program laid down by Francis Bacon a hundred and fifty years earlier - and the rise of **American democracy** was necessary to a world program.

Adam Weishaupt, a man driven by an incredible and diabolical ambition to rule the world, likewise advocated **"abolition of all ordered national governments, abolition of inheritance, abolition of private property, abolition of patriotism, abolition of the individual home and family life** as the cell from which all civilizations have stemmed, and **abolition of all religions** established and existing so that **the ideology of totalitarianism** may be imposed on mankind." In the same year that he founded the Illuminati he published **"Wealth of Nations,"** the book that provided an **ideological foundation for capitalism** and for the **Industrial Revolution**. It is no accident that the American **Declaration of Independence** was written in the same year. On the obverse of the **Great Seal of the United States** the wise will recognize the **"all-seeing eye"** and other **"signs of the Brotherhood of the Snake."**

Date and beliefs confirm that Weishaupt's Illuminati is the same as the **Afghan Illuminated Ones** and the other cults which called themselves "illuminated." The

Alumbrados of Spain were the same, as were the "illuminated" **Guerinets of France**. In the United States they were known as the **Jacobin clubs**.

Secrets within secrets within secrets - but always at the heart is the Brotherhood.

The **Illuminati Order** was built around the novel idea that **the ends - the happiness of the human race - justified the means!** The idea was, in Weishaupt's words to "form a durable combination of the most worthy persons, who should work together in removing the obstacles to human happiness, become terrible to the wicked, and give their aid to all the good without distinction, and should by the most powerful means, first fetter, and by fettering, lessen vice; means which at the same time should promote virtue, by rendering the inclination to rectitude, hitherto too feeble, more powerful and engaging. Would not such an association be **a blessing to the world?**"

Wherever the Jesuits go, revolution quickly follows.

In 1738 **Pope Clement XII** issued a **Papal Bull** declaring that any **Catholic** who became a **Mason** would be **excommunicated** - a very serious punishment! In 1884 **Pope Leo XIII** issued a proclamation stating that **Masonry** was one of the secret societies attempting to "revive the manners and customs of the pagans" and "establish Satan's kingdom on Earth." Nonetheless, **the infiltration of the Catholic Church by the Illuminati** has established the use of the **"all-seeing eye in the triangle"** by leading Catholics and by the **Jesuits** - "an Order working for the advancement of Marxism and revolution, not for God." More-so, it was used in the seal of the **Philadelphia Eucharistic Congress** in 1976 and on a **special issue of Vatican stamps** in 1978, announcing the **final Illuminati victory** to the world.

On 21 July 1773, **Pope Clement XIV** "forever annulled and extinguished the **Jesuit Order**." France, Spain and Portugal had independently come to realize that the Jesuits were meddling in the affairs of the state and were therefore enemies of the government. The Pope's action was a response to pressure applied by the monarchies. **King Joseph of Portugal** signed a decree "by which the Jesuits were denounced as traitors, rebels and enemies to the realm." However, **Pope Pius VII** reinstated the Jesuits to all of their former rights and privileges in August 1814.

Ex-President John Adams had written to his successor, Thomas Jefferson: "If ever there was a body of men who merited eternal damnation on earth... it is this Society." Jefferson replied: "Like you, I disapprove of the restoration of the Jesuits, for it means a step backwards from light into darkness."

In 1815 the Jesuits and their Freemason allies among the crowned heads of Europe held the **Congress of Vienna**, whereby **Swiss neutrality** (already sanctioned by the **Peace of Westphalia** in 1648) was forever guaranteed; and no matter how many wars are provoked in which the common man has to do the fighting, the money of the **Black Nobility** in Switzerland should always be free from plunder. It's part of Rothschild's meticulous long-range planning, and why Switzerland exists to this day. The place of Freemasonry in the **power structure of "the Elites"** quick became quite evident as they carried through **Weishaupt's conspiracy** to avenge the **Jesuits** after their abolition in 1773 by short-lived **Pope Clement XIV** as "immoral and a menace to the Church and the Faith." By launching the **French Revolution** and directing **Napoleon's conquest of Catholic Europe**, and by **revolts against the church in Mexico and Latin America**, they cut-off **Vatican income**.

Nathan Rothschild's financing of Britain resulted in the defeat of Rome's enemy, Napoleon, (as well as being the source of his wealth and influence). Since **Gregory XVI** conferred a Papal decoration on **Kalman Rothschild** for loaning the Vatican five million pounds in a period of difficulty, the Rothschilds have been the **fiscal agents of the Vatican** ever since. With Vatican interests at heart, the Rothschilds extended their financial and political dominion in the United States. The **Rothschild-Vatican cabal** unsuccessfully attempted to gain control over the power of the purse in the US through the **First and Second Bank of the United States**, which were established under emergency powers granted to the President by the Constitution, as **temporary institutions** to tide the country through the periods of financial stress occasioned by the Revolutionary and 1812 Wars. But the aims of the conspirators to establish a banking monopoly were thwarted by the Constitution.

Ma-Ha-Bone

In 1826 an American Freemason wrote **Illustrations of Freemasonry**, a book revealing Masonic secrets. One of the secrets he revealed is that the last mystery at the top of the **Masonic pyramid** is the **worship of Lucifer**. According to the **Legend of the Third Degree**, the Phoenician **"Hiram Abiff of Tyre"** ^{1 Kings 7:13-14}, "chief architect and **Grand Master of Solomon's Temple**, was murdered in the temple by three ruffians as they unsuccessfully attempted to force him to divulge secrets. Hiram Abiff, representing **intelligence, liberty and truth**, was struck down by **a blow to the neck with a rule** representing the **suppression of speech** by the church; then he was **struck in the heart with the square**, representing the **suppression of belief** by the state; and finally he was **struck on the head by a maul**, representing the **suppression of intellect by the masses**. After being in the grave for fifteen days, the **"Merciful Master"** **King Solomon** raised Hiram Abiff from "a dead level to a living perpendicular" using the **"Lion's Paw"** grip of a Master Mason - and, embraced Hiram on the **five points of fellowship**: standing foot to foot, knee to knee, breast to breast, hand to back and mouth to ear... whispering the secret word **"Ma-Ha-Bone."**

A few might also remember Lazarus, whom Christ Jesus raised from the dead; yet, Lazarus had simply died... - he was not killed. Furthermore, there are parallels between Job, Jonah, Samson, and Jesus which are too lengthy to go into here.

Other parallels of **"peculiar symbolism"** between Hiram Abiff and Christ Jesus are well developed, including a **"weeping virgin."** More-so, the Masonic position on the **Son of God** has been explained in no uncertain terms: The heretical teaching that

Christ is not the only mediator between God and man (1 Timothy 2:5), that He is not the only redeemer and savior (John 14:6), and that the name of Jesus is not the only name whereby men may be saved (Acts 4:12) is current Masonic teaching. Freemasonry thus equates the Church, the State, and the masses with tyranny, intolerance, and ignorance. The *oath of initiation* into the Freemasons states *that* “if secrets are told, the initiate will be murdered.”

“Liberty, Equality and Fraternity”

As a result of the **Russo-Turkish war of 1877-78**, the **Ottoman Empire** lost extensive territory mainly in the Balkans where the “autonomous” states of Bulgaria, Bosnia, and Herzegovina passed into the *de facto* administrative sphere of the **Austro-Hungarian Empire**. Thessaly and the prefecture of Artas were ceded to Greece, and in Asia, Russia annexed the territories of Kars and Ardachan in Turkish Armenia. In Africa, the English claimed Egypt, and the French Tunisia, while the Italians did not bother to conceal their territorial ambitions toward Tripoli. Meanwhile, the dissident movements in Crete, Armenia, and Macedonia were beginning to reach worrisome levels for the **Turkish Sultanate**.

One of the first real threats to the **Ottoman Throne** was a hard-core, conspiratorial group that formed in 1889 at **Constantinople** who came to be known as the “**Young Turks**,” led by the officer-members of the **Committee of Union and Progress** (*İtihad vè Teraki*) and allied with **Donmè** (*subversive Jews who had converted to Islam*) in positions of authority within the machinery of the *İtihad conspirators* and *Masonic lodges of Thessaloniki* - “*Macedonia Risorta*” and “*Labor et Lux*” - under the direct supervision of the *Grand Orient Lodge of Italy*, which later shared in the success of **Mustapha Kemal “Atatürk,”** supported economically by their fellow *Jewish capitalists* in Vienna and Berlin - as well, in Budapest and possibly Paris and London.

These references to the relationship between the Donmè, Masons, and the Young Turks have not been prompted by anti-Semitism or Masonophobia; rather, I am attempting to shed some light on the puzzling paradox of this revolutionary movement.

In 1908, a new government came to power in Turkey. A group of reformers who called themselves the *Young Turks* overthrew **Turkish Sultan Abdul Hamid** and established a more modern constitutional government. In 1914, the Turks entered **World War I** on the side of *Germany* and the *Austro-Hungarian Empire*. (At the same time, Ottoman religious authorities declared *jihād*, or *holy war*, against all *Christians* except their allies.) Military leaders began to argue that the Armenians were *traitors* eager to fight for the enemy. As the war intensified, Armenians organized volunteer battalions to help the *Russian army* fight against the Turks in the *Caucasus region*. These events, and general *Turkish suspicion of the Armenian people*, led the Turkish government to push for the “removal” of the Armenians from the war zones along the **Eastern Front**.

On 24 April 1915, leaders of the Turkish government set in motion a plan to expel and massacre **Christian Armenians** living in the **Muslim Ottoman Caliphate** - a *premeditated genocide* and *systematic campaign to exterminate an entire “infidel” people*. The **Armenian Genocide** began as the Turkish government arrested and executed several hundred *Armenian intellectuals*. After that, ordinary Armenians were turned out of their homes and sent on *death marches* through the *Mesopotamian desert* without food or water. Frequently, the marchers were *stripped naked* and forced to walk under the scorching sun until they dropped dead. People who stopped to rest were shot. At the same time, the Young Turks created a “*Special Organization*,” which in turn organized “*killing squads*” or “*butcher battalions*,” often made up of *murderers and other ex-convicts*, to carry out “*the liquidation of the Christian elements*.” They drowned people in rivers, threw them off cliffs, crucified them and burned them alive. In short order, the Turkish countryside was littered with *Armenian corpses*. *Though reports vary, most sources agree that there were about 2 million Armenians in the Ottoman Empire at the time of the massacre. By the early 1920s, when the massacres and deportations finally ended, some 1.5 million of Turkey’s Armenians were dead, with many more forcibly removed from the country.*

During this “*Turkification*” campaign government squads also kidnapped children, converted them to **Islam** and gave them to Turkish families, and *raped women*, forcing them to join *Turkish “harems”* or serve as *slaves* (in much the same vein as **ISIS** is now raping and enslaving the blue-eyed Yazidi women of Syria). Muslim families moved into the homes of deported Armenians and seized their property.

After the Ottomans surrendered in 1918, the leaders of the Young Turks fled to **Germany**, which promised not to prosecute them for the genocide. (However, a group of *Armenian nationalists* devised a plan, known as **Operation Nemesis**, to track down and assassinate the leaders of the genocide.) Ever since then, the Turkish government has denied that a genocide took place. By 1922, when the genocide was over, there were just 388,000 Armenians remaining in the Ottoman Empire.

The **Parisian Commune of 1793** greatly influenced **Karl Marx**, which greatly influenced **Lenin** and **Trotsky**. Lenin likewise said *Georges Danton* was the greatest revolutionary strategist who ever lived. Trotsky admired *Lazare Carnot* the “Organizer of Victory.” Whereas Marx had been at first just a *socialist*, he was converted to *communism* whereby the government owned all property compared to socialism where you own, are taxed and regulated to prevent you from doing what you would like to do without government permission. The *Bolshevik’s party* and its purpose of **Democratic Centralism** was modeled on the clubs and networks of the *Jacobin Party* across France (which numbered 500,000 at its height). The ideologies behind the French Revolution, namely that of *equality under common law* and various freedoms, that were largely secular, set the basis for the rise of **Communism**. Communism, by essence, is the concept of “*liberty*” and “*equality*” taken to a much

grandeur scale to cover economic positions. The French Revolution created the liberalism needed for the far more ruthless **Bolshevik Communism** to spawn. The **Communist State of Russia** was much more devastating to its people than Revolutionary France was... yet, both Russian and French peasants suffered just as much with or without revolution. In both revolutions, **Louis XVI** and **Tsar Nicolas II** were portrayed as weak, incompetent rulers... and both revolutions were created to destroy old established customs and progress the two world powers to a new liberalism that the *evil international banker-mafiosa of Haskalahic Great Britain* and *Zionist America* profited from - both directly and indirectly.

Jewish-supremacist ideals of the French revolution influenced the *Marxist-Leninist Russian Revolution of 1917*. After that, the whole system became a *Stalinist* one. *The gradual reforms by liberal nobles in England as in Glorious Revolution and capital owners in America in the American Revolution were not exportable because the bourgeoisie in other nations were not so intelligent and pragmatic.*

British Intelligence is synonymous with **Chatham House**, more commonly known as the *Royal Institute for International Affairs*, the parent organization of the **Council on Foreign Relations** (q.v.) in the United States. The English state police, **Scotland Yard**, ordered its personnel not to join the Masons for fear the same would happen to them. The most notorious Freemason lodge is *probably* the **Italian P2 lodge**, which has been implicated in everything from bribery to assassinations. P2 is directly connected to the *Vatican*, the *Knights of Malta*, and to the *US Central Intelligence Agency*. It is powerful and dangerous.

In short, Freemasonry is one of the most wicked and terrible organizations upon this earth. The Masons are major players in the struggle for world domination. The 33rd **Degree** is split into two: One split contains the core of the *Luciferian Illuminati*... and the other contains *those who have no knowledge of it whatsoever for most members of the Freemasons are not aware that the Illuminati practices what is known as “secrets within secrets,” or “organizations within organizations.”*

The real power are men who are always recruited without exception from the secret societies of **Harvard** and **Yale** known as the **Skull & Bones** and the **Scroll & Key**. Both societies are secret branches (*also* called the **322 Brotherhood of Death**) of what is otherwise historically known as the ‘*Illuminati*.’ They are connected to parent organizations in England (*The Group of Oxford University and especially All Souls College*) and Germany (*the Thule Society - aka the Brotherhood of Death*).

The **Trilateral Commission**, founded by American banking magnate **David Rockefeller** **ETP**, is an elite **Committee of 300** very prominent business, political, and intellectual decision-makers of Western Europe, North America, and Japan. Its grand design, which it no longer hides, is a **New World Order**. These refer to themselves as the “**World Government Founders for the NWO**” - each of whom knows *full-well* that all others govern *the fate of Europe* - all of which select their successors from their own entourage. These men have the means in their hands of putting an end to the form of State which they find unreasonable. This international enterprise is *a private agency* that works to build up political and economic cooperation among the three regions: *faith* - *controlled by the Vatican*; *military power* - *controlled by the Pentagon*; and *finance* - “*sovereign wealth*” *controlled by eight central banks* : *Banco de Mexico, the Bank of England, la Banque de France & Autorité de Contrôle Prudentiel et de Résolution (ACPR), De Nederlandsche Bank, das Deutsche Bundesbank, Finansinspektionen (De Swedish FSA), the Monetary Authority of Singapore, and Zhōngguó rénming yínháng (the People’s Bank of China).*

Market volatility starts and ends with collusion between central banks... but there is always *political risk*, which ranges from *North Korea* and *Brexit negotiations* to any vestige of *economic reform* or *elections*. [“**Brexit**,” a portmanteau of “British” and “exit,” is the prospective withdrawal of the United Kingdom (UK) from the European Union (EU).] Under the cover of *high asset prices* and a *subdued oil price* that tempers *inflation* and *financial conditions*, it is likely we will see further tightening from the **Federal Reserve** while other central banks discuss nudging policy away from emergency levels of accommodation - and demonstrating gross negligence regarding the consequences of their monetarily omnipotent actions.

Goldman-Sachs has postulated that by 2050 the **BRICS** (Brazil, Russia, India, China and South Africa) economies would be wealthier than most of the current major economic powers. Moreover, as increased economic globalization creates higher levels of *world trade and commerce*... BRICS may overtake the **G7** by around 2035 : (The BRICS are part of the **G20**, but not a true power bloc or economic unit within or outside it). Together, they make up 40% of the world’s population, 25% of the world’s landmass, and about 20% of global GDP. They already control some 43% of global foreign exchange reserves, and their share keeps rising. *Until the beginning of the 1990s, Russia was still behind the Iron Curtain, China was recovering from the Cultural Revolution and the Tiananmen Square unrest, India remained a bureaucratic nightmare, and Brazil experienced bouts of hyperinflation combined with a decade of lost growth - and South Africa, which formally joined this loose political grouping in 2010, the apartheid regime arms embargo and international sanctions, and political, diplomatic, and economic isolation of the country.*

(Since late-2007, the Federal Reserve has embarked on grand-scale collusion with other *G7 central banks* to manufacture a massive amount of *electronic fiat money* amidst a plethora of grandiose phrases like “*unlimited*” and “*by all means necessary*.” The “**Big Four**” central banks - the US Federal Reserve System (the Fed), the Bank of England (BOE), the European Central Bank (ECB) and the Bank of Japan (BOJ) - have collectively held the phenomenon of low interest rates worldwide at a zero percent on average since the global financial crisis began, amassing *crypto-currencies*
